PFAFF 1545 – Power and efficiency for heavy sewing tasks
The PFAFF 1545 is a fast, unison feed machine for medium to heavy applications. Perfect for home furnishings, automotive upholstery and industrial sewing. Available in different versions with stitch length and thread trimming options.

- Integrated drive
- XXL hook
- Automatic functions

Product description

PFAFF 1545 – High-speed machine with unison feed

The PFAFF 1545 is a powerful sewing machine for medium to heavy applications such as home furnishings, automotive upholstery and industrial sewing. The integrated drive system offers lower costs and high reliability, while the XXL bobbin holds 70% more thread for longer sewing intervals. The machine is equipped with automatic functions such as thread trimming, reverse and foot lift, as well as a thread clamp that ensures clean sewing starts. With an adjustable presser foot lift of up to 20 mm, it can also handle thick and bulky materials.

Description

- Integrated drive – lower cost and high reliability
- XXL gripper – 70% greater capacity
- Automatic functions – thread trimming, reverse and foot lift
- Thread cutter – clean sewing starts
- Adjustable presser foot lift – up to 20 mm
