Product description

The bobbin thread for long production runs

Madeira Bobbin Thread No. 150 is a polyester bobbin thread on a cone, developed for businesses that prioritise efficiency and low production costs. Thanks to the large cone, the need for cone changes is reduced and production can continue for longer without interruption.

Perfect for:

- Large production runs
- Standard embroidery
- Branded clothing
- Workwear
- Sportswear
- Cost-effective production

High quality for professional production

Bobbin No. 150 is supplied on a cone for **self-winding** and is a popular choice when the focus is on productivity, economy and reliability. Available on 15,000-metre cones.
