

Product Sheet

Eastman Blue Streak

Category: Cutting machines, Hand-held cutting machines

Eastman Blue Streak II – The Ultimate Hand Cutting Machine for Precision and Efficiency

The Eastman Blue Streak II Model 629X is a powerful hand cutting machine designed for fast and accurate cutting of a wide variety of materials. With its ergonomic design and low weight, it offers optimal manoeuvrability, even for detailed patterns and cuts with tight radii.

- Powerful and easy to manoeuvre – Perfect balance between power and weight for smooth handling.
- High precision – Machine parts machined to a tolerance of only 0.0013 cm ensure accurate cuts.
- Versatile use – Can handle everything from thin silk fabrics to heavy technical materials.

Product description

Eastman Blue Streak II – The Ultimate Hand Cutting Machine for Precision and Efficiency

The Eastman Blue Streak II Model 629X is a powerful hand cutter designed for fast and accurate cutting of a wide variety of materials. With its ergonomic design and low weight, it offers optimal manoeuvrability, even for detailed patterns and cuts with tight radii.

The machine is ideal for both thick and thin materials, from denim and cotton to fibreglass and technical textiles. With a high-performance motor and precision-engineered components, the Blue Streak II is a reliable solution for textile production at all stages – from prototypes to mass production.

Description

- Powerful and easy to manoeuvre – Perfect balance between power and weight for smooth handling.
- High precision – Machine parts machined to a tolerance of only 0.0013 cm ensure accurate cuts.
- Versatile use – Can handle everything from thin silk fabrics to heavy technical materials.
- Easy maintenance – Convenient One Shot oil lubrication system for daily maintenance.
- Adaptable to different needs – Available in multiple blade heights, motor configurations and special options.

Technical Specification

Machine Specifications	
Effect	• .65 hp, 1-phase • .93 hp, 3-phase
Leaf height	12.7 cm, 15.2 cm, 17.7 cm, 20.3 cm, 22.8 cm, 25.4 cm, 29.2 cm, 33 cm
Cutting capacity	8.9 cm, 11.4 cm, 13.9 cm, 16.5 cm, 19.1 cm, 21.5 cm, 25.4 cm, 29.2 cm
Electric motor	• 110V, 1-phase, 50/60 Hz • 220V, 1-phase or 3-phase, 50/60 Hz • 380V, 3-phase, 50 Hz
Leaf types	• Standard: Carbon steel • Optional: High-speed steel, PTFE-coated, wave edge, wave track, angled tip
Weight	15.4 kg
