

Product Sheet

Eastman Brute Model 627X

Category: Cutting machines, Hand-held cutting machines

Eastman Brute 627X – Maximum power for tough materials

The Eastman Brute Model 627X is the ultimate hand-held cutting machine when power, precision and reliability are required. With a motor of up to 2.2 horsepower, it delivers almost twice as much power as the standard model and cuts easily through thick, tough or multiple layers of fabric.

- Extra powerful motor – up to 2.2 horsepower
- Handles tough materials and thick layers
- Straight 6" blade for smooth, precise cuts

Product description

Eastman Brute 627X – Maximum power for tough materials

The Eastman Brute Model 627X is the ultimate hand-held cutting machine when power, precision and reliability are required. With a motor of up to 2.2 horsepower, it delivers almost twice as much power as the standard model and cuts easily through thick, tough or multiple layers of fabric. It is built with the highest quality components and offers the same flexibility in size and configuration as the Blue Streak II – but with significantly more power. Perfect for demanding industrial environments where productivity and performance are critical.

Description

- Extra powerful motor – up to 2.2 horsepower
- Handles tough materials and thick layers
- Straight 6" blade for smooth, precise cutting
- Same sizes and settings as Blue Streak II
- Robust construction for heavy industrial use
