Product description

BATTISTELLA SATURNINO – Compact steam generator for homes and small studios

BATTISTELLA Saturnino is a handy and reliable steam generator that delivers professional results in both homes and small studios. With a 5-litre tank, you can enjoy long ironing sessions without interruption, and the adjustable steam allows you to work with different materials safely and efficiently. Manual refilling makes it easy to use, and the included iron with Teflon soleplate ensures an even and gentle finish. Thanks to its compact design, Saturnino is both space-saving and efficient.

Description

- 5 L tank – for longer ironing sessions
- Adjustable steam for different materials
- Manual refilling – easy to use
- Includes iron with Teflon soleplate
- Compact and efficient design
