ROTONDI MINI 9 SMART – Foldable pressing table

MINI 9 SMART is a semi-industrial pressing table for homes and small studios. With a heated surface, suction function and foldable design, it delivers professional results in a compact format.

- Heated surface 400 W
- Integrated suction function
- Foldable design

Product description

ROTONDI MINI 9 SMART – Compact ironing board for home and studio

ROTONDI MINI 9 SMART is a semi-industrial pressing table that combines professional functionality with sleek design. The 400 W heated surface provides even heat, while the integrated suction function secures the fabric for perfect results. Thanks to its foldable design, the table is easy to store and weighs only 18.5 kg, making it ideal for homes, studios and small workshops that need efficient pressing in a compact format.

Description

- 400 W heated surface – even heat
- Integrated suction function – holds the fabric in place
- Foldable design – space-saving
- Easy to store – only 18.5 kg
- Perfect for homes and small studios
