Primula MAGIC INOX – High-pressure boiler with steam iron

Primula MAGIC INOX is a compact high-pressure boiler with a 2.5-litre tank and 1 steam iron, perfect for small shops, tailors and studios. It can be used freestanding, on a stand with wheels or mounted directly on the ECO DOB ironing table.

- Practical solution
- Flexible use
- Versatile connection

Product description

Primula MAGIC INOX

High-pressure boiler with 1 iron

High-pressure boiler with 2.5 litre tank and 1 steam iron. Magic Inox is designed for use in small shops, tailors and studios.

Supplied with cable holder antenna and silicone iron rest. Available with or without a stand with wheels. The boiler without a stand can easily be added later. Can also be mounted on an ECO DOB ironing board.

Thanks to the 4-pin socket, it is easy to switch between steam iron, steam brush and steam gun.

- Practical solution – 2.5 litre tank with 1 steam iron for professional use.
- Flexible use – can be supplemented with a stand or mounted on an ECO DOB ironing board.
- Versatile connection – 4-pin socket makes it easy to switch between iron, steam brush and steam gun.
