cuTex TBC-50H

Category: Cutting machines

cuTex TBC-50H

Automatic angle cutter mainly for woven tapes.

Product description

Automatic angle cutter for woven tape and adhesive tape

The cuTex TBC-50H is an automatic angle cutter designed primarily for woven tape, adhesive tape and small ribbons. It is easy to use and offers high precision cutting, making it ideal for the production and packaging of tape materials.

The cuTex TBC-50H offers a reliable and efficient solution for automatic cutting of tape material with high precision and consistent quality, making work both faster and easier.

Technical Specification

Machine Specifications	
Applicable materials	Adhesive tape, small tape
Cutting knife	Heat knife for clean and precise cuts
Power supply	AC110/220V, 50/60Hz, 25W
Maximum cutting width	Right angle 45 mm / square 30 mm
Cutting length range	1 mm – 50 metres
Capacity	120–140 sheets/min (based on 50 mm)
Machine dimensions	90 × 38 × 43 cm
Net weight of the machine	26.5 kg
